

# Welcome to Kaita Elementary School!

These are our school's flag poles.  
The center pole is called "ODA POLE".  
It's 15.21 meters tall.  
15.21m is Mr. ODA Mikio's record of the triple jump in the Amsterdam 1928 Olympics.  
He was the first Japanese and Asian Olympic gold medalist.  
His famous words are  
"Strong one is beautiful."  
He is the pride of our town and our school.
